

WHY THE RESURRECTION MATTERS

John 20:1-18 ... April 01, 2018

NO RESURRECTION, NO FAITH

- Our faith would be meaningless
- We would have no hope for eternal future
- Life would be meaningless

CHRISTIANS WOULD BE LIARS IF NO RESURRECTION

- Our message would be a lie
- God would be a liar
- We could do as we pleased

OUR LIFE DEPENDS ON THE RESURRECTION

- Our sins are truly forgiven
- The promises of God we know are true
- We have the assurance of eternal life with our Savior
