ABC Kids Connection After-school Program

Program Description:

Welcome to Ardena Baptist Church's free after-school program for elementary school age children (K-5th grades). This program is held on Thursday afternoons, from 3:30pm -6:00pm (when Howell Township schools are in session) in the education and gym buildings here on the Ardena Baptist Church campus.

Our community-based children's program provides kids with a safe, comfortable, fun and encouragement filled opportunity to enjoy each other, and the program's many activities. The children will be supervised by (and enjoy working with😊) our screened, caring and nurturing adult and teen volunteers.

The *program schedule* looks like this:
